

FSYFL RULES

Unless otherwise amended below, the current year's NFHS (National Federation of State High School Association) Laws of the Game shall apply. NFHS Laws of the Game and other resources are available at www.nfhs.com

1. Twenty minutes prior to the start of the game all visiting and home team players, as well as, each team's head coach and a team representative must be present for the start of the check-in process. The head coach is responsible for reporting to the site director with all members of his or her team to be checked in. Players should be lined up in alphabetical order by their last name. The opposing team representatives are entitled to check the opposing team players Hard Cards to insure the photo matches the player. If a player does not have a current player Hard card then he or she is ineligible for that day's game. If there is a discrepancy on the photo and the player, the team representative will address this situation with the FSYFL staff member at the check-in station. FSYFL staff member will then call out player names to check-in and further insure eligibility.

The FSYFL certifies the weight of each teams players at the first game of the season, and then no longer does any weigh ins from there on out. All players will then be checked in with their photographs and jersey numbers.

A player who is registered and paid to play in a given division is **ONLY** allowed to attempt to "make the required weight" for the first **THREE (3)** games of the season. At that time the player must be moved up to the next division roster. Please Note: FSYFL has a no refund policy for the league for players not making the weight classification.

Additional players may be added to a team's roster up to the start of the 2nd game of the season. Only these additional players and players trying to attain the weight classification may be weighed in for the 2nd Game.

FSYFL Age and Weight Classifications:

Ages based on July 31st 2009 (Please note this is the players weight **without** equipment. Players may strip down to their boxers **ONLY** in their attempt to make weight.

- *Peewee* 8 - 10 year olds - 110 lbs or less
- *Supers* 9 - 11 year olds - 130 lbs or less
- *Midgets* 10 - 12 year olds - 145 lbs or less
- *Junior Varsity* 11 - 14 year olds - 160 lbs or less
- *Varsity* 12 - 15 year olds – unlimited weight

2. Each team may have one coach on the field during play. Before the snap, both offensive and defensive coaches must be a minimum of 15 yards from the line of scrimmage. Coaches must be behind the end zone in red zone plays. The coach may not interfere with the play of the game or they will receive a fifteen-yard penalty. The following activities shall be construed as interfering:

- a. Moving players during a play or after the offense has broken the huddle
- b. Speaking or shouting to players during the play or after the offense has broken the huddle
- c. A coach is "caught" in the middle of the play or obstructing a play in any way. (It is the coaches responsibility to be out of the play no matter where the ball ends up)
- d. Having more than one (1) coach on the field in any area

3. In the presence of each team's captains, FSYFL staff will conduct the coin toss fifteen minutes prior to game start. Coin tosses will be conducted on the field with the referees. Home and Away teams will be determined by the schedule. The "home" team is responsible for obtaining volunteers to run the sideline chains and down marker, while the "away" team is responsible for calling the coin toss. The winner of the coin toss will then choose whether to be on offense or defense and the losing team will choose which side of the field they would like to start with. After halftime the teams will switch roles. All parents must stand behind the parent line, caution line, or designated area 5 – 10 yards off of the sideline.

4. The only representatives allowed on the playing side of the parent line, caution line, or parent designated area are individuals with proper FSYFL identification. All teams will be given seven FSYFL coach badges prior to the start of the season. Only these seven coaches are allowed on the playing side of the parent line. The visiting team will be allowed to have three parent volunteers in addition the seven coaches to run the first down chains and down indicator. All other individuals must stay behind the designated area. Individuals found in violation of this rule will be subjected to a one game suspension and possibly longer depending on the severity of the problem. If a child is injured on the field, please allow the EMT to assess the injury, only the parent or guardian of the child will be allowed onto the field in these circumstances.

5. The playing field will be forty yards wide and eighty yards long, with an ten yard end zone.

6. The game will consist of two continuous 22 minute halves with a five minute halftime. The clock will be continuously running, only stopping for team and/or referee time outs. Each team is allowed two, thirty second timeouts per half. The timeouts can carry over to the second half. No overtime in the case of a tie (except in playoff games). In the last two minutes of the game, the team with a lead of more than 15 points cannot call a time out. The clock stops in the last 2 minutes of the game for timeouts, penalties, incomplete passes and out of bounds running plays. There will also be one referee timeout at each 10 minute mark for water breaks where the clock will stop, however this referee timeout will be at the discretion of the referee crew. If the weather is not hot the timeout will not be implemented. For the playoffs and Super Bowl the overtime will be governed by a Kansas City Tie Breaker Rules starting from the 10 yard line, teams will be given 4 downs to score.

7. An FSYFL approved uniform, helmet, pads and mouthpiece are required to be worn in order to participate. Children may not tie any portion of their jersey for safety reasons. Children may not wear any face shield that has a tint, all face shields must be clear. No jewelry, open toed shoes, or metal cleats may be worn.

8. The game ball must be comparative to a Wilson Traditional Youth Football. K2 for peewees, TDJ for Supers and Midgets, and a TDY for Varsity. The officials will rotate balls from each team while they are on offense. All balls must be approved by the game official prior to the start of the game. Different sized footballs may be used by teams from the FSYFL standards, but these different sized footballs may only be used by the team for their offense drives only. These footballs should be approved by the officials prior to the start of the games.

9. The methods of scoring and their value: Touchdown 6 points. There are NO field goals. Extra Point values are: 1 point for a **RUN** from the 5 yd line, and 2 Points for a **PASS** from the 5 yd line. Safety 2 points. Due to the fact that the points for/against is the 4th tie breaker for playoff contention, following every game the referee will sign and provide the FSYFL Field director with a Game Score Card of the game results. Head coaches from each team will be allowed 15 minutes (from game end) to go to the FSYFL registration tent to sign the card and validate the game score. If there is a dispute on the correct

score the FSYFL official will contact the referee and settle the dispute with all parties. If the Head coach fails to go to the FSYFL tent for the score validation the referee score will be deemed accurate and set.

10. The game will be played eight on eight. Each team is advised to have a maximum of twenty players on their roster, however there are no rules governing a roster size.

11. The head coach has the authority to limit game playing time of any player on their team who continually misses practices without a valid excuse, or who may have caused disciplinary problems during a prior practice or a particular game. The FSYFL as an organization does not have any minimum play rules. The numbers of plays that a given player receives is entirely up to the coach of the given team.

12. Two un-sportsmanlike conduct violations by any player, coach, or spectator will result in an immediate dismissal of the violator, a fifteen-yard penalty and loss of down. The referee and FSYFL site director has the authority to dismiss a violator after one unsportsmanlike conduct violation based on severity. The game will resume once the violator has left the premises.

13. Substitution may occur between downs and any number of players may be substituted. Players must enter and exit the field promptly.

14. The offense must have five players (no more or no less) lined up on the line of scrimmage for every play. The defense must have a minimum of two and a maximum of four players on the line of scrimmage for every play. All offensive and defensive linemen must be in a three or four point stance prior to the snap of the ball. Linemen are described as any player four yards left or right of the football. The NFHS rule regarding Linebackers states *"that defensive players within one yard of the football are considered lineman, therefore defensive secondary players must be a minimum of two yards North/South to be in a standing position"* The NFHS Rule on this issue is in place to define who can be legally blocked below the waist, legally blocked in the back and legally clipped. The FSYFL does not have the blocking issue, but yet we need a relative spot to determine who is a defensive lineman or just a defensive player. The clarification will be as follows...If the defensive lineman is more than four yards East/West of the football or more than one yard North/South prior to the snap they can be in a stand up position. Any defensive player within the eight yard by one yard rectangle (centered on the football) prior to the snap would be required to be in a three or four point stance. Therefore, a player will be penalized if their initial position is fine but right before the snap the defensive line or secondary player tries to time his rush/blitz but he moves or arrives in the zone prior to the snap. While coaches can gain every advantage they can to disrupt the offensive play call, the focus of the referees will be FIRST to make sure players don't get hurt from getting cut below the waist by an illegal block ending their playing career, as well as making sure the rules are enforced fairly. The officials will consistently enforce the rule as interpreted.

15. The offense is given twenty five seconds from the spotting of the ball to the time they must snap the ball to begin the next play.

16. NO player may line up on, go over the top of, run directly into or "rough" the Center. The clarification here is that a defensive player on the defensive LOS shall not line up directly over the snapper (center) or be in the guard-center gap and run directly into the snapper (center) on any scrimmage play. This will constitute roughing the snapper and result in a 15 yard penalty. The premise is that the intent of the defensive player should be to control their lane (by engaging the Center's block if necessary) without, however an obvious intent simply to run directly into the

Center in an unsafe manner. This is a thin line of judgment, however the referees have been given latitude here to determine intent of "roughing the snapper" in the same way as a "roughing the kicker" is concerned. This is about protecting the players more than anything.

17. The ball carrier is down according to high school football rules.

18. In the event a ball carrier falls to the ground as a result of contact or not, the player is down and the play is over.

19. A fumble ball may be advanced once it is recovered. Interceptions are live and can be advanced.

20. Blocking below the waist is prohibited at all times. This is to protect all players on the field at all times.

21. There are no kick offs. The ball will be placed on the 15 yard line at the beginning of the game, at the start of the second half and after any touch downs.

22. There are NO punts. For all 4th down plays, team coaches may choose to either; run the 4th down play or "declare" an intention to punt to the referee and the other team head coach. In the case of a declared punt the ball will be then be placed 25 yards further down the field from the 4th down line of scrimmage.

23. After a safety, the ball is placed at midfield.

24. If a team gets a lead larger than twenty-four (24) points, the losing team will start with the ball at midfield.

25. If a major injury occurs during the game, the EMT and FSYFL staff will make a discretionary call as to whether the game is to be cancelled. If the game is cancelled prior to halftime, the game will be made up on a future date and will be picked up where it was left off. If a game is cancelled after halftime, the game is considered final. IN the event of a postponed game the referees will have both head coaches sign the referee score card with details of how the game ended, to ensure the same scenario will be applied at the start of the make up game.

26. All coach's meetings are mandatory. One representative must be present for the coach's meeting or the entire team will be suspended for one game.

27. Roster and Season Rules

- There will be no player additions to a teams rosters after the 2nd game of the season. An addition is determined by full payment of the registration fees to the FSYFL registrar.
- No additional teams can be added up to and including midnight one week prior to the first game of the season.
- The final schedule will be provided to all coaches one to two weeks prior to the first regular season game.
- Scrimmages prior to the first season game are allowed.

28. Pre-Certification and Weigh in Rules

- a. *Pre-certification Meeting* - This meeting is held 7-10 days prior to season start in each region. All coaches are required to attend with their player file folders. These folders are

- then checked for correct paperwork, hard cards, photos, birth certificates and liability forms. The on line roster system is available at that time to make any corrects to rosters.
- b. **FIRST Game Weigh In** - All players on each team roster are checked against their hard card and photo and then weighed. If the player is qualified the hard card will be stamped with an FSYFL certification stamp over the card AND photo. Once a player has been weighed and certified they do not have to weigh again for the season.
 - c. **SECOND Game Weigh In** - Due to the fact that teams are allowed to add players up to the beginning of the 2nd game, all late addition players will be weighed in and stamped at this weigh in. Following this the final roster for that team will be stamped with the FSYFL certified stamp and this roster placed inside the coaches file folder. No additions or changes will be allowed to the team from there on out.
 - d. **Field Check In** - For the remainder of the season, players will be checked in using the team file folder with photograph verification only for entry onto the game field.

NO PLAYER WILL BE ALLOWED TO TAKE THE FIELD WITHOUT FULL PAPERWORK AND PAYMENT BEING PROVIDED

Weigh In Rules - All players will be present at the field forty minutes prior to the start of the game. *(For the FIRST game of the season coaches and teams are required to be at the weigh in 60 minutes prior to game time to finalize all pre-season paperwork)* The coach will check in at the FSYFL designated tent. Team representatives may check opposing team's player Hard Card ID's prior to weigh-ins if required. The coach will line up his or her team in a single file line in front of the scale. A FSYFL staff member will call out and certify the Player Hard Card to record that the player achieved weight for each game. FSYFL representative will randomly check sidelines throughout the game to insure eligible players. The FSYFL warrants all weight certifications and due to the fact that players weights are certified once ONLY, opposing coaches may stand with the FSYFL representative prior to their games to verify opposing teams players onto the field.

Players Missing Weight Classification - A player who is registered and paid to play in a given division is ONLY allowed to attempt to "make the required weight" for the first **THREE (3)** games of the season. At that time the player must be moved up to the next division roster. Please Note: FSYFL has a no refund policy for the league for players not making the weight classification.

The FSYFL league officials decision on any issue related to weigh-in is final.
